Terms and conditions for the sale of PS semen (The contract is only valid for one gestation)

- The semen is intended for the successful gestation by means of insemination of the specified mare (or any other mare that you have notified PS of in writing) and remains the property of the Paul Schockemöhle Pferdehaltung GmbH (PS). An implanted or frozen embryo is considered as gestation at the time of implantation/freezing.
- One insemination dose will be supplied for the mare of this contract. Each additional dose requires a new signed contract. If you order more doses in the same order you can only use semen on that mare that contract was signed for.
- This is not a live foal guarantee contract. There is no guarantee for a successful gestation with the semen you purchased.

- By signing this contract, you confirm and direct your veterinarian/insemination technician to use a complete insemination dose according to the number of given straws by us when breeding your intended mare. Global Equine Sires will supply semen shipping Report with number and identification of straws send.
- Your vet/tech is also asked to document breeding date, number of straws used, note the collection date & straw id and the subsequent 1st pregnancy check.
- There will be no shipment of doses without your signed agreement. The owner is responsible to get the signature of the Veterinarian or Person that will perform Insemination to this contract. Full payment of Semen, shipping and handling is required before Global Equine Sires will ship.
- The client is not authorized at any time to sell or give semen to another person without the prior consent of PS.
- The client must inform Paul Schockemöhle Pferdehaltung GmbH if he/she intends to transport the semen from the initial veterinary clinic to another one or if another Person will perform insemination of the Mare.
- All empty straws have to be sent back to Global Equine Sires.
- If the mare is still not in foal with the semen for whatever reason, the owner of the mare has no rights of recourse against Paul Schockemöhle Pferdehaltung GmbH.
- We give no guarantee for a in foal mare.
- The mare will be inseminated on cost and risk of the owner.
- It's not allowed to resale any straws without a written commitment from Paul Schockemöhle Pferdehaltung GmbH.
- Under no circumstances the use of that semen for ICSI is allowed or any ICSI straws been made for ICSI procedure.
- ICSI & Embryo Transfer is only allowed after prior agreement with Paul Schockemöhle Pferdehaltung GmbH. For this purpose, a separate invoice will be sent for every embryo, regardless of whether it is frozen or transferred to a receiving mare.
- If ICSI will be confirmed and execute the client agrees that Paul Schockemöhle Pferdehaltung GmbH is authorized to receive information directly from their veterinarian regarding performed insemination's, Embryo Transfer and ICSI results and authorize your Vet to release to Paul Schockemöhle Pferdehaltung GmbH the information about the ICSI results obtained.
- By ordering and buying semen, the mare owner declares to have taken cognizance of these conditions and declares to fully agree with these services and payment conditions, as well as with the stud fees.
- At all times keep the breeding conditions in force and the buyer remains responsible for compliance.
- Any attempt of misuse of semen or if the client violates a provision of these terms and conditions of sale, he will be punished with a minimum fine of \$ 20,000.00 and legal actions against the user and/or seller of the semen.

Signature of veterinarian/insemination technician

This contract needs to be sent back to info@globalequinesires.com after it has been signed by the veterinarian.

I Acknowledge that I've read and understand the above statement.
