Global Equine Sires (hereinafter GES) agrees to supply the customer the **OPTION (per straw cut, per mare)** to use frozen equine semen for the purpose of intracytoplasmic sperm injection (ICSI) in accordance with the following details and on the basis of the following terms and conditions. The semen will be delivered to the ICSI laboratory named below. The customer agrees to allow the laboratory to convey all information regarding the results of the ICSI procedures with this semen to GES. Approval from GES is required before embryos can be shipped from the ICSI laboratory. This contract only allows the injection of oocytes from the mare named in this contract; no work with other mares is allowed without a separate contract.

Zip Codel

Terms and conditions for ICSI

1. The semen is intended for ICSI with oocytes from the mare named above. The semen remains the property of Global Equine Sires. Only the OPTION for the use of 1 straw cut per mare is allowed per contract.

2. The booking fee of the named stallion, as stated above, is payable before starting the ICSI procedure. This booking fee covers the charge for one ICSI session and the first Embryo produced. Each additional Embryo or another ICSI session requires another booking fee.

3. The customer agrees that GES is entitled to receive information from Laboratory directly regarding results of the ICSI performed with this semen. This consent refers in particular to information on the number of embryos produced and any plans for shipment from the laboratory.

4. If no embryos result from use of the semen, or no pregnancies result from transfer of embryos produced by ICSI with this semen, the customer has no recourse to GES. There is no guarantees for any embryos or pregnancies.

5. GES will issue covering certificates for births that are the result of the use of semen under this contract, and send them to the respective breed association. However, this will only be the case if the semen has been used in accordance with these terms and conditions, and the stud fee, as well as all other costs incurred by GES in providing the semen to the laboratory, have been settled.

6. If the customer violates any provision of these terms and conditions, GES will impose a contractual penalty of $ 20,000.00

7. GES is only liable in cases of intent and gross negligence. The exclusion of liability does not apply in the event of personal injury as a result of, as a minimum, a negligent breach of duty by GES or its vicarious agents.

8. Special agreements are only valid between GES and the customer if they are agreed upon in writing.

Signature of veterinarian/insemination technician

_____
